

Hi all!

This is your friendly neighbourhood MAD Secretary handing out a quick reminder to you all! While this email mainly focuses on Easters, we hope that it goes without saying that you have signed up for [Monash Mini](#). If not, you should! Do it now! Stop reading, open a new tab and go to the [sign-up sheet](#) this instant.

### **Easters Reminder**

As sent out in the last Tastebud, team leader applications are closing fast. Really fast. Really really fast. The full blurb you can find in the last email, but the only thing you really need to take away from it all is that you are all running out of time to get your team leader applications in. And if you don't get your team leader applications in, and you are experienced by Easters standards (that is, debating at one Australs or Worlds or two Easters), then your chances of debating at this years' Easters will be *drastically* reduced.

So that is all to say: Hurry up! Fill out the form, email it to Gemma Buckley at [monash.debaters.externals@gmail.com](mailto:monash.debaters.externals@gmail.com) by **5pm** on the **10th of Feb** and we'll have no need for any more of these harassing emails.

Full details:

**Date:** 26th to 29th of April

**Location:** Adelaide University

**Cost:** \$320 Registration + \$100 Flights or \$50 Driving (approx.)

If you have ANY questions please email our Externals officer Gemma Buckley at [monash.debaters.externals@gmail.com](mailto:monash.debaters.externals@gmail.com), or call her on 0438968613.

And that's all. See? Relatively painless. Don't forget to hand your application in!
